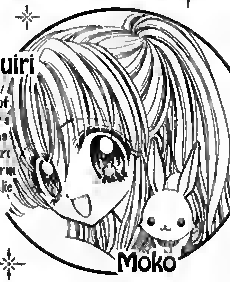
Takanashi Yuiri

The granddaughter of Takanashi Academy's principal. Disguised as her twin brother, Hairi, she works to transform the four guys in Angelic Garden from devils to angels.



Moko

Takanashi Hairi

Yuiri's big brother, an inventive genius. He designed Yuiri's disguise transformation kit.

Hi, I'm Takanashi Yuiri. At my grandfather's request, I transferred to his school, Takanashi Academy, from Switzerland. I'm here to supervise four guys who are called the "School Devils." They're extremely popular as well as extremely selfish, and my job is to make them angels. My big brother, Hairi, was supposed to help me with this task, but he's been delayed. While he's away, I disguise myself as him! Satsuki discovered my double identity, but he seems to be keeping my secret... Little by little, I'm discovering the four guys' good traits. But of course, I won't let my guard down for a second, because you never know what could happen in Angelic Garden!
